

THE RHODE ISLAND LOTTERY

August 27, 2008

Mr. Joseph S. Gendron
Regional Vice President
GTECH Corporation
10 Memorial Boulevard
Providence, RI 02903

Dear Mr. Gendron:

Pursuant to Section 13.6 relative to "player promotions" of the Master Contract between the Rhode Island Lottery and GTECH Corporation, the Contract states "Within sixty (60) days after each annual anniversary of the Effective Date, the Rhode Island Lottery and GTECH will mutually agree upon increases to these amounts, such increases to be not less than three percent (3%) per year."

In review of the fact that we have not yet agreed to an amount, it is agreed that a one (1) month extension be allowed to resolve this matter.

Thank you for your cooperation in this regard.

Very truly yours,

Gerald S. Aubin
Director
